

# COMMAND

COMMERCIAL & INDUSTRIAL ROOFING

## CAPABILITY STATEMENT

### WHO WE ARE

Command Roofing has been serving the commercial, industrial, educational and government roofing needs of Southwestern Ohio since 1984.

We are a certified-WBE and WOSB roofing company that provides superior customer service, value and workmanship in a safe work environment. Through excellent service and quality work, we have developed an exceptional reputation among building owners, building managers and general contractors.

### OUR SERVICES

We specialize in the commercial and industrial roofing industry. Our expert roofing technicians install commercial roof systems for all of the major single-ply, built-up and modified bitumen roof system manufacturers, including:

- Single-ply (EPDM, PVC, TPO)
- Built-up (asphalt & coal tar pitch)
- Modified bitumen (APP & SBS)
- Sheet metal (architectural)
- Coating systems
- Standing seam metal

Our dedicated Service Department is what sets us apart from other roofing companies. We have a team of Service Technicians who focus solely on repairs and maintenance of commercial roofing systems. Our team provides comprehensive roof maintenance and service, including:

- Leak investigations and repairs
- Roof modifications
- Emergency service
- Scheduled maintenance programs

### MEMBERSHIPS

We utilize valuable industry related education and training through our membership with top roofing and construction organizations:
